IT FURTHER APPEARING that Plaintiffs seek this relief pursuant to Federal Rule of Civil Procedure 65 and the Trademark Act of 1946, 15 U.S.C. §§ 1051, *et seq.*, as amended by the Trademark Counterfeiting Act of 1984, Public Law 98-473 (October 12, 1984), and the

Prioritizing Resources and Organization for Intellectual Property Act of 2007, H.R. 4279 (October 13, 2008) (the “Lanham Act”), for the reason that Defendants are distributing, offering for sale and/or selling, via the Internet, goods bearing counterfeit reproductions of the Plaintiffs’ federally registered and unregistered trademarks and/or are using images of Plaintiffs’ goods to falsely represent origin in violation of the Lanham Act, as listed in the Complaint filed in this action and incorporated herein by reference, which trademarks (collectively, the “Plaintiffs’ Marks”) are owned and controlled by Plaintiffs and used in connection with products listed in the Complaint and incorporated herein by reference (collectively, the “Plaintiffs’ Products”), and the Court having reviewed the Complaint, Memorandum of Law in support of the Order, supporting Declarations and exhibits submitted in support of the application, finds:

IT FURTHER APPEARING that the Court entered a Temporary Restraining Order on December 19, 2016; and

IT FURTHER APPEARING that no defendant filed any opposition to this application for preliminary injunctive relief; and

IT FURTHER APPEARING that the Court conducted a hearing on the application for a preliminary injunction on January 11, 2017;

THE COURT FINDS:

1. Plaintiffs have demonstrated that they are entitled to injunctive relief by establishing that they are suffering irreparable harm and that they are likely to succeed on the merits of their claims;

2. With respect to likelihood of success on the merits, Plaintiffs have demonstrated that they are likely to succeed in showing that the Plaintiffs’ Marks are valid and protectable and entitled to protection;

3. Further with respect to likelihood of success on the merits, Plaintiffs have demonstrated that they are likely to succeed in showing that Defendants are manufacturing, distributing, offering for sale and/or selling counterfeit products – including, *inter alia*, bridal gowns, social occasion dresses and other goods – bearing counterfeits of the Plaintiffs’ Marks (the “Counterfeit Products”) to buyers in the United States, and/or are using images of Plaintiffs’ goods to falsely represent origin in violation of the Lanham Act, including in this Judicial District;

4. Further with respect to likelihood of success on the merits, Plaintiffs have demonstrated that they are likely to succeed in showing Defendants are selling Counterfeit Products and otherwise engaging in unfair competition by operating a network of web sites (“Defendants’ Infringing Web Sites”) resolving at various domain names set forth in Exhibit 1 attached hereto, including, without limitation, domain names containing the Plaintiffs’ Marks (the “Infringing Domain Names”);

5. The distribution, offering for sale and sale of Counterfeit Products will result in immediate and irreparable injury to Plaintiffs if injunctive relief is not granted;

6. Plaintiffs’ harm from denial of the requested Order would outweigh any harm to Defendants’ legitimate interests from granting such an Order;

7. Entry of an Order other than the requested Order would not adequately achieve the purposes of the Lanham Act to preserve Plaintiffs’ equitable remedies for trademark counterfeiting and unfair competition, including, *inter alia*: the restraint of Defendants’ operations including Defendants’ Infringing Web Sites, the disabling of Defendants’ means of distributing, offering for sale and selling Counterfeit Products, the acquisition of the business records relating to Defendants’ operations, and the preservation of Plaintiffs’ right to an equitable accounting of proceeds from Defendants’ sale of Counterfeit Products.

THEREFORE, IT IS HEREBY ORDERED that until the further Order of this Court, Defendants and their officers, agents, servants, employees and attorneys, and any persons in active concert or participation with them, including, but not limited to, Internet Service Providers (“ISPs”), registrars or online third-party selling platforms, be and hereby are preliminarily restrained and enjoined from:

- (i) Using the Plaintiffs’ Marks or protected images of Plaintiffs’ genuine products or any reproduction, counterfeit, copy or colorable imitation of the Plaintiffs’ Marks or product images in connection with the distribution, advertising, offer for sale and/or sale of merchandise not the genuine products of Plaintiffs;
- (ii) Passing off, inducing or enabling others to sell or pass off any Counterfeit Products as genuine products made and/or sold by Plaintiffs;
- (iii) Shipping, delivering, holding for sale, distributing, returning, transferring or otherwise moving, storing or disposing of in any manner bridal gowns, social occasion dresses, accessories or other items falsely bearing the Plaintiffs’ Marks, or any reproduction, counterfeit, copy or colorable imitation of same;
- (iv) Utilizing the Infringing Domain Names and registering any additional domain names that use or incorporate any of the Plaintiffs’ Marks;
- (v) Operating Defendants’ Infringing Web Sites;
- (vi) Moving, destroying, or otherwise disposing of any items, merchandise or documents relating to the Counterfeit Products, Defendants’ Infringing Web Sites, and/or Defendants’ assets and operations; and/or
- (vii) Removing, destroying or otherwise disposing of any computer files, electronic files, business records, or documents relating to Defendants’ Infringing Web Sites, Defendants’ assets and operations or relating in any way to the

manufacture, acquisition, purchase, distribution or sale of Counterfeit Products or any reproduction, counterfeit, copy or colorable imitation of the Plaintiffs' Marks; and it is further

ORDERED, that Plaintiffs may immediately commence discovery by providing actual notice, pursuant to subpoena or otherwise, of this Order to any of the following: (1) Defendants, their agents, servants, employees, confederates, attorneys, and any persons acting in concert or participation with them; (2) any banks, savings and loan associations, payment processors or other financial institutions, including without limitation, PayPal, Inc., or other merchant account providers, payment provider, third party processors, credit card associations (*i.e.* MasterCard and VISA), which receive payments or hold assets on Defendants' behalf; and (3) any third party service providers, including without limitation, ISPs, back-end service providers, web designers, sponsored search engine or ad-word providers, shippers, domain name registrars, domain name registries or online third-party sellers who have provided services for Defendants; and it is further

ORDERED, that any third party providing services in connection with any Defendant and/or Defendants' Infringing Web Sites, including without limitation, ISPs, back-end service providers, web designers, sponsored search engine or ad-word providers, banks, merchant account providers including PayPal, Inc., third party processors and other payment processing services, shippers, domain name registrars, domain name registries and online third-party selling platforms (collectively "Third Party Providers") shall within five (5) days after receipt of such notice, provide copies of all documents and records in such person or entity's possession or control relating to:

- (a) The identities and addresses of Defendants, their agents, servants, employees, confederates, and any persons acting in concert or participation with them and the

locations and identities of Defendants' operations, including without limitation, identifying information associated with Defendants' Infringing Web Sites, Infringing Domain Names and financial accounts;

- (b) Defendants' Infringing Web Sites;
- (c) The Infringing Domain Names or any domain name registered by Defendants;  
and
- (d) Any financial accounts owned or controlled by Defendants, including their agents, servants, employees, confederates, attorneys, and any persons acting in concert or participation with them, including such accounts residing with or under the control of any banks, savings and loan associations, payment processors or other financial institutions, including without limitation, PayPal, Inc., Western Union, or other merchant account providers, payment providers, third party processors, and credit card associations (*i.e.*, MasterCard and VISA); and it is further

ORDERED, that in accordance with 15 U.S.C. § 1116(a) and this Court's inherent equitable power to issue provisional remedies ancillary to its authority to provide final equitable relief, Defendants and their officers, servants, employees and agents and any persons in active concert or participation with them, and any banks, savings and loan associations, payment processors or other financial institutions, including without limitation PayPal, Inc., or other merchant account providers, payment providers, or third party processors for any Defendant, any of Defendants' operations, Defendants' Infringing Web Sites or for any other web site owned or controlled by Defendants, who receive actual notice of this Order, shall immediately locate all accounts connected to Defendants or Defendants' Infringing Web Sites and that such accounts be preliminarily restrained and enjoined from transferring or disposing of any money or other of Defendants' assets, not allowing such funds to be transferred or withdrawn, and not allowing any

refunds, charge-backs, or other diminutions to be made from such accounts pending further Order from this Court; and it is further

ORDERED that, in accordance with 15 U.S.C. § 1116(a) and this Court's inherent equitable power to issue provisional remedies ancillary to its authority to provide final equitable relief, the domain name registries, including but not limited to VeriSign, Inc., Neustar, Inc., and Public Interest Registry, and/or the individual registrars holding or listing one or more of the domain names used in conjunction with Defendants' Infringing Web Sites shall, within three (3) days of receipt of this Order, disable these domain names, through a registry hold or otherwise, and transfer them to a registrar or account designated in writing by Plaintiffs, to be maintained until the further Order of this Court; and it is further

ORDERED that, in accordance with 15 U.S.C. § 1116(a) and this Court's inherent equitable power to issue provisional remedies ancillary to its authority to provide final equitable relief, any third party providing services in connection with any Defendant and/or Defendants' websites, including without limitation ISPs, back-end service providers, affiliate program providers, web designers, and sponsored search engine or ad-word providers, shall immediately disable service to any and all of Defendants' Infringing Web Sites;

ORDERED, that this Preliminary Injunction Order shall remain in effect until the further Order of this Court; and it is further

ORDERED, that Plaintiffs shall maintain, until the further Order of this Court, the corporate surety bond of \$10,000 posted in accordance with the terms of the Temporary Restraining Order, which the Court has determined adequate for the payment of such damages as any person may be entitled to recover as a result of a wrongful seizure or restraint hereunder; and it is further

ORDERED, that sufficient cause having been shown, service of this Order shall be made on Defendants by registered electronic mail on or before Friday January 13, 2017 at the email addresses listed in Exhibit 1, or at such other email addresses which Plaintiffs may discover, and which Plaintiffs have demonstrated will provide adequate notice to Defendants; and it is further

ORDERED, that Plaintiffs' counsel file with the Court an affidavit or declaration attesting to service of this Order on Defendants in the manner prescribed in the foregoing paragraph; and it is further

ORDERED, that any act by Defendants or any one of them in violation of any of the terms of this Order may be considered and prosecuted as a contempt of this Court.

SIGNED this 11<sup>th</sup> day of January, 2017.
